Letterhead Mockup

Dear Mr. Edward

A letterhead is the heading at the top of a sheet of letter paper (stationery) that includes a company name and an address, and a logo or corporate design, and sometimes a background pattern.

The term "letterhead" is often used to refer to the whole sheet imprinted with a company name and address, and a logo or corporate design, and sometimes a background pattern. This generally includes the same information as pre-printed letterhead, but with the additional costs involved.

Letterhead can then be printed on stationery (or plain paper) as needed, or it can be printed electronically.

This heading usually consists of a name and an address, and a logo or corporate design, and sometimes a background pattern.

Sincerely Yours,
Sean Phillip
